

International Conference on Environmental & Life Sciences (ICELS-25)

Theme: Advancing Environmental Innovation and Life Science Research for a Sustainable Future

26th December 2025 • Virtual (Global Online Conference)

About the Conference

ICELS-25 is a global virtual conference uniting researchers, academicians, scientists, and industry professionals to advance environmental and life science research focused on sustainability and innovation.

Who Can Attend

- Researchers
- Academicians
- Scientists
- Industry Professionals
- PhD Scholars
- Students

Why Attend ICELS-25

- Global knowledge exchange
- International research exposure
- Academic and industry networking
- Interdisciplinary collaboration
- Insights into sustainable innovations

Important Dates

Abstract Submission Deadline:

23rd December 2025

Registration Deadline:

24th December 2025

Topics Covered

- Environmental Science & Sustainability
- Climate Change
- Biodiversity & Conservation Biology
- Ecology & Ecosystem Studies
- Water Resources
- Renewable & Clean Energy Technologies
- Environmental Biotechnology
- Life Sciences & Biological Research
- Genetics, Genomics & Molecular Biology
- Biotechnology & Bioengineering
- Renewable & Clean Energy Technologies
- Environmental Biotechnology
- Life Sciences & Biological Research
- Genetics, Genomics & Molecular Biology
- Biotechnology & Bioengineering
